

FIVE STAR EQUESTRIAN FIRST TIME OWNER PROGRAM

Thinking of buying a horse, but not sure you can manage the expenses or the commitment?

We often have clients approaching us at Five Star Equestrian, asking what it takes to own a horse, what will it cost and what kind of commitment will it require.

Five Star offers a **First Time Horse Owner Program** to allow clients to enter into horse ownership by partnering with our riding school program for up to 2 years.

This is a great opportunity to have us help you find the perfect horse for you or your young rider to purchase with your specific goals in mind.

Our program offers several options based on how involved you will be and how often your horse will participate in our program:

Days in Program	Fee To Owner	Covered Expenses
2*	\$200	No Chiro
3*	\$300	1/2 Chiro
4*	\$400	Full Chiro

*Must include at least 2 lessons on weekends

This means your horse will benefit from the expertise and care of a professional with reduced expenses 7 days a week. During this time we will work with you so that you understand the care and attention these horses require to be healthy and productive, providing you with a wealth of information and years of experience.

If you are interested in buying a horse, but a little nervous about how to go about doing this, speak with Cassandra or Leah for more information on how we can help you make this transition as easy as possible.
