#### **\*POLICY ON PACKAGES:**

1. Clients have 2 months to complete pre-paid package; packages are non-refundable; certain extenuating circumstances (i.e. illness or other family emergency) may warrant an extension to allow for a client to complete his/her lessons. We are unable to offer makeups, but provide the extra time to allow for students to use up their lessons over a two-month period.
2. Lesson packages MUST be paid in advance in order to maintain discounted rate and guarantee the client's spot in lessons. If payment is not received on time the lesson spot becomes available to other riders.
  - a. Recreational Package (4 lessons) payment is due no later than the first lesson of the new package.
  - b. Stable Package (8 lesson) payment is due no later than the first lesson of the new package.
3. Lessons are transferrable to immediate family members only; otherwise, packages are non-transferrable.
4. Once a student has completed four (4) lessons, they will be asked to purchase their own helmet, gloves, riding breeches, boots, crop and spurs. We can help you with these purchases.
5. Children 5-7 years of age will not be taught how to tack and untack. Horses will be tacked by Five Star in time for the lesson start time at no additional fee. After the lesson, the horses will be untacked by Five Star. Parents who are qualified to tack/untack a horse, will be asked to do so for their younger children.
6. Clients over 7 years of age will learn to tack and untack. When new clients sign up for weekly lessons, there will be a tacking and untacking lesson fee of \$25/student added to each lesson until students are able to tack and untack independently. At that time this additional fee will be dropped. These lessons will occur before and after each lesson. Parents who would like to learn to tack and untack to help their children achieve this goal more quickly can participate in the lessons and learn along with their child.
7. In order to show on a Five Star program horse, a student must half lease or full lease the horse.
