POLICY ON PACKAGES:

1. Client has 2 months to complete pre-paid package; packages are non-refundable; certain extenuating circumstances (i.e. illness or family emergency) may warrant an extension to allow for a client to complete his/her lessons. We are unable to offer makeups, but provide the extra time to allow for students to use up their lessons over a two-month period.
2. Lesson package MUST be paid in advance in order to maintain discounted rate and guarantee the client's spot in lessons. If payment is not received by the first lesson of each package the lesson spot may be offered to other riders.
3. Lessons are transferable to immediate family members only; otherwise, packages are non-transferable.
4. Once a student has completed four (4) lessons, they will be asked to purchase their own helmet, gloves, riding breeches, boots, crop and spurs. We can help you with these purchases.
5. We accept students in our lesson program from age 7 and up.
6. Pre-COVID or Post-COVID: Clients will learn to tack and untack. When new clients sign up for weekly lessons, there will be a tacking and untacking lesson fee of \$20/student added to each lesson until students are able to tack and untack independently. At that time this additional fee will be dropped. These lessons will occur before and after each lesson. Parents who would like to learn to tack and untack to help their children achieve this goal more quickly can participate in the lessons and learn along with their child.
7. Packages are intended for students who are learning to ride and not yet jumping and/or jumping very small fences (beginning jumping). Once a student is competently jumping x-rails, they must either purchase or full lease a horse in order to continue with Five Star Equestrian.
